# Completely wireless & waterproof smart earbuds

Introducing VerveOnes+, a new generation of completely wireless earbuds that deliver incredible sound. Compatible with any smartphone, tablet or computer, they are designed to fit securely inside your ears without wires so you can listen free from distraction. Whether it's heart pounding songs at the gym or your favorite playlists at work, you'll hear music in full HD with the ability to customize the sound. Dual mic enables your music to pause automatically for an incoming call. Chat away, and music resumes once you hang up. Featuring IP57 waterproof protection, they withstand sweat, rain, and even accidental dips in a puddle, so you can take them anywhere. Charge the earbuds in the portable case for up to 12 hours of playtime. VerveOnes+ Completely Wireless & Waterproof Smart Earbuds. Permanently untangled.
